About Us

Jersey City Oral Surgery & Dental Implant Center is a state-of-the-art oral and maxillofacial surgery practice conveniently located in the heart of downtown Jersey City.

Our premier facilities and technology allow us to offer our patients everything from ultra-low dose radiation CT scans (3D X-rays) to digitally planned precise surgical treatments, all while focusing on maximizing comfort.

We work together with your general dentist to provide you with outstanding care and results.

Schedule Your Visit

Call, text, or visit us online to schedule an appointment.

Fill out our online registration form (or come in 20 minutes early to fill it out in person).

Remember

If you are scheduled for sedation anesthesia, please refrain from any food or drink for at least 8 hours prior to the procedure and a responsible adult must accompany you to the appointment.
